

MICHIGAN

Department of Health—Division of Vital Statistics

REGISTER OF DEATHS

Village of Serranville
 (Township, Village or City) of
 County of Eaton

From April 6 1923 to 1923

PRESERVE WITH CARE. BEGIN EACH YEAR with a new series of record numbers. This register should be filled out at the time the Burial or Removal Permit is issued. It will serve as a basis for making the required returns to the County Clerk.

The Certificates of Death upon which this record is based must be mailed to the State Health Commissioner, Lansing, on the **FOURTH** day of the following month. Therefore it will be necessary to keep the Register up to date in order that there may be no delay in transmitting returns. Registrars should not issue permits for deaths in other districts, for deaths in other States, or for disinterred bodies. Permits for the railroad transportation of all disinterred bodies must be obtained from the Michigan Department of Health. They cannot be issued by Registrars.

Returns Promptly on the **FOURTH (4th)** Day of Each Month, and Do Not Mail Them Before the Fourth Day unless Absolutely Sure that No Deaths Have Occurred.
